DETAILED ACTION

1. The amendment filed January 21, 2005, has been received and entered. The text of those sections of Title 35, U.S. Code, not included in this action can be found in a prior Office action.
2. Claims 1, 5, 6, 9, and 10 are pending.
3. The election of species requirement of April 21, 2001 is hereby withdrawn.
4. Claims 1, 5, 6, 9, and 10 are examined fully on the merits.

Claim Rejections - 35 USC § 112

Claims 1, 5, 6, 9, and 10 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

5. Claim 1 is indefinite because the phrase "said effective amount of said bioenhancer of bioavailability facilitator" in line 6 lacks antecedent basis because applicant has cancelled the phrase "an effective amount" from line 1. In addition, the last two lines of the claim conflict with (ii). The last two lines of the claim state that the therapeutic agent is not present in a therapeutically effective amount; however, the phrase immediately following (ii) states that the therapeutic agent is present in a therapeutically effective amount. This conflict is confusing and indefinite because it is not clear what amount of the therapeutic agent are required by the claim.
6. Claim 9 is indefinite because it states that the anti-bacterial is agent is "selected from the group comprising...". This is indefinite because of the use of the "comprising" language in this context, this language implies that the group can have members other than A, B, and C without

Art Unit: 1654

defining what the other members may be. Therefore, the claim is not clear as to the definition of the antibacterial agent.

7. No claims are allowed. However, the claims are deemed free of the prior art and would be allowable if amended to overcome the above 112 2nd rejections.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
